Le Burger

The one-of-a-kind burger

In need of a refuel after exploring Austria's capital? We know just the spot

VIENNA With buns hand-baked daily and patties made from the very best cuts of beef, it's no surprise that Le Burger has earned the title of Vienna's best-kept foodie secret since the first restaurant opened in the Austrian capital five years ago.

But there's another reason why it's unlike anything else you'll find in the city: with diners invited to build their own creation from more than 2,000 possible combinations, every burger at Le Burger is virtually a one of a kind.

Of course, you can also choose combos from the menu.

Fancy a kick? Then Hot & Spicy, made with the 100% beef patty piled under smoked bacon and jalapeños, could be for you.

For a lighter option, there's the California Surfer, a grilled chicken fillet with tender mozzarella, olives and guacamole. Maybe you're not in the mood for a burger at all, in which case a range of salads and healthy bowls will keep you satisfied.

With sites across Vienna, as well as in Wiener Neustadt, Linz and Dubai, Le Burger is expanding rapidly too, and the family-run business are just as

keen to welcome new franchise partners as they are guests. Are you ready for passion in a bun?
