

Le Burger

ORIGINAL HANDCRAFT

A woman with long blonde hair is sitting at a wooden table in a cafe. She is looking down at something in her hands. In the background, there is a large vertical garden with various green plants. To the right, there is a menu board with items like 'SWEET CHILI', 'BBQ SAUCE', 'KNOBLAUCH MAYO', and 'SPICY MAYO'. A person in a red shirt is visible in the background on the right. The overall scene is a casual, modern cafe environment.

LE BURGER FAMILY

We love our products. But without dedicated staff, our burgers would be like a bun without a patty. Our family-run company attaches great importance to the employees feeling really comfortable. And social commitment at home and abroad is a matter of honor for Le Burger.
